

Dear Relatives and Friends,

On behalf of the Pflugerville High School Senior Class of 2010, we would like to formally request your financial support for *Panther Celebration*. This event is a highly anticipated annual tradition that provides a safe, memorable, and fun-filled night of endless entertainment, games, and food galore on our seniors' graduation night. While this lock-in is indeed a big extravagant all night party, its purpose is to attract the young adults into an alcohol and drug free event. Statistics show that graduation night is one of the deadliest nights for high school seniors. Because of these statistic as well as the tragic deaths of 12 Maine seniors during graduation season, Project Celebration was born in 1979. We want to keep our seniors happy and safe on this very special occasion. We need your help.

Currently, there are 500 + seniors, and the budget for this event is over \$40,000. *Panther Celebration* is completely organized by parent volunteers of the senior class. While the party is not until June of 2010, it is very important that we begin our efforts now to ensure we have funding in place to hold an event that is truly a night to remember. With the projection that over 90% of the graduation class will attend the event, it is likely your senior will be one of those. Please plan to contribute. If everyone gave at least \$25.00 then this would go along way in making this party happen and having ample prizes to attract the attendees.

In appreciation of your support to our seniors to promote alcohol and drug awareness, your individual names will be listed under support level on our website at www.panthercelebration.com as well as on the graduation program.

Often times, not only do people individually donate but they also find business sponsors. Please fell free to ask your place of employment, community businesses where you often frequent and/ or your friends and family for their support. This letter is available to download off of our website. In appreciation of their support to our seniors to promote alcohol and drug awareness, your family member/business/ friend will be listed on our website as well as our local paper, and in the graduation program.

Enclosed is a sponsorship form allowing you to declare your sponsorship level. If you would prefer donating goods or services, we are in need of a door prize for each graduating seniors and also prizes for two silent auctions we will hold. This kind of contribution will be greatly appreciated and recognized along with financial sponsorships. To make arrangements to collect such items, please call me at 689-7746. We also hope to see you at the Panther Celebration meetings which are held on the second Monday of each month in the PHS library at 6:30.

Let's send a message to our seniors that we want to send them off safely.

Sincerely,

Noelle Jones

President, Panther Celebration, Inc., Class of 2010
